Manager

As (Assistant) Store Manager you are the captain of the boat. As a Shift Supervisor, you are also an important helmsman. Do you like to take responsibility and make sure everything runs smoothly in the entire store? You not only motivate your partners, but also set an example for them and listen to their wishes and problems? Then take the helm and become a manager at Starbucks!

important ingredient? Your passion!

Our partners, our coffee and, of course, our guests are the cornerstones of the Starbucks identity. A career with us is built on this principle. We want to offer more than just jobs. We have no lower aspiration than to serve the best quality coffee possible. For us, coffee is more than a beverage. For us, it means joie de vivre and community. Do you share this conviction with us? Then we are only missing one ingredient: your passion!

Together for more sustainability.

Acting in a sustainable and environmentally conscious way – that is our responsibility. With products like the Reusable Cup, we strive every day to continue on the right path and want to encourage our partners to do the same. You share our attitude and accept the challenge to create a more sustainable tomorrow? Then become our partner, because only together we can achieve great things!
